

Image Specifications/Download Instructions

1. Choose type of product you want to browse

2. Browse Images

3. Select Image to download

3. Image opens in new window

For Mac downloads:
Hold down "control" and mouse on the image, Choose either "Download image to disk" or "Save this image". Choose "Save this image" and save the image to a location on your hard drive.

For PC downloads:
Right click on the image you want to download. Choose either "Save target as" or "Save image as". Choose the folder to save the image to and click "Save."

Please note: the images are in JPG format, 72dpi and RGB color. Files will need to be converted from RGB to CMYK and sized to 300dpi in order to display correctly in printed documents.

Some Images are available with clipping paths. For specific image needs above and beyond what is currently available in the Imperial Bathrooms Press Room, please contact us. We will try to get you what you need!
